

10% Off HID[®] Signo[™] Readers

Secure a smooth transition from iCLASS SE to HID Signo with 10% off until September 30th

HID Global has announced end of sale dates for select **iCLASS SE and multiCLASS SE readers**. To help ease the transition from these legendary reader lines, HID is also offering customers **10% off equivalent HID Signo Reader models**.

HID Signo is the new signature line of physical access control readers from HID Global. The versatility, performance and connected capabilities of HID Signo Readers set a new industry benchmark for the most highly adaptable, interoperable and secure approach to electronic access control. Security meets modernity with HID Signo.

Featuring a sleek, upscale design, HID Signo Readers extend HID's tradition of best in class performance while adding innovative features to keep organizations secure.
